

DIRECTIONS

Directions to the Beach Front Home on Lake Missaukee:

From US 131 going North to Cadillac, you will have a choice to exit to Cadillac or continue on US 131 North to exit number 180 which is the Lake City exit. If you want to cut 5 or so minutes off your trip, continue on to exit 180-Lake City via 131 North. Otherwise, take the Cadillac exit (I think this is exit 178) to the right if you want to go to downtown Cadillac or go past by some restaurants. Either way, take 55 East to Lake City. If you take the Cadillac exit, turn left onto business 131 North to the 4th stoplight and that will be 55 East after you turn right at this stoplight. If you did not take the Cadillac exit, then take the next exit (Exit 180) which is the Lake City exit and turn right to get onto 55 East. Once in Lake City, still on 55 East (which will also be 66 North), go past the Shell station on the right and 2-3 blocks after the Shell station (just before the next stoplight and before the McDonald's) on the left will be Washington Street. Turn left onto Washington (see below to continue).

From US 27 going North toward Houghton Lake or going South toward Houghton Lake, take 55 West until you get to Lake City where there is a stoplight at the corner of 55 and 66. There will be a McDonalds on the right and a Mobile station on the left. Turn left and the first street on the right will be Washington.

Now that you are on Washington, go one block and it turns into James. Take James and it curves sharply to the left past the park and Driftwood will be the first street on the right. Our house is the 2nd on the left (white 2 story with green shutters) on Driftwood with the large cement driveway and the house number-371-will be above the white garage door.

Directions to my properties at Shanty Creek:

Shanty Creek Resort & Spa consists of 3 separate villages. It totals over 4500 acres and is the largest single resort in the United States. Summit is the village for many of the conventions and it is close to the Legend Golf Course designed by Arnold Palmer which is considered the most difficult course at the Resort. It also is the home to the Summit Golf Course which is considered the easiest course at the resort. It has a driving range, practice putting green, a pro shop and also several other shops. Summit is older construction.

Schuss Village is also older construction except for the Vista Del Verde condos that are brand new right on the Schuss golf course. This is the location of the larger ski hill where most of the skiing activity takes place including races. Schuss also has a very nice playable golf course that is well maintained and very picturesque. It has a driving range, practice putting green and pro shop as well. Schuss also has an indoor pool that you may use.

Cedar River Village is the newest addition, completed in 2000. All of the structures are essentially brand new and the accommodations are very upscale. The Cedar River Golf course is challenging, but it is the most beautiful course and is impeccably groomed. This should be your first choice if you play much golf. If you play occasionally, then the Schuss Golf Course may suit you better. If you are beginning or play infrequently, then the Summit is for you. If you are very good and long, then the Legend is for you. Again, the Cedar River Golf Course is absolutely beautiful and ranked #16 out of 700 golf courses in Michigan.

In addition, the Tubing Hill is now located on the driving range across from my Slopeside condos so on one side is the Schuss Ski Hill and on the other side is the Tubing Hill.

Directions to Shanty Creek Resort & Spa: From US 131 going north toward Cadillac. You will go around Cadillac and stay on 131 North. This highway will turn into a 2 lane highway about 20 minutes north of Cadillac.

From I-75 or 127 going north, stay on 75 North until you reach Hwy 72 West toward Grayling. Take 72 West and go through Grayling and then you will hit 131 in Kalkaska. Go North (turn right) onto 131.

If you have followed either of the above directions, you will now be going North on US 131. You will go through Kalkaska on 131 North and then you will get to Mancelona. At the Stoplight in Mancelona, turn left onto Hwy # 88 going west. Go to the second entrance (go past the first entrance which is Schuss Mountain Road) for Shanty Creek which will be Del Mason Rd. (turn right onto Del Mason Rd.). Del Mason will turn right and the main road called Shanty Creek Road will continue to the left (see map attached). Take this right in order to continue on Del Mason Road. If you are going to the Golfside Condos in Schuss Village, then turn right onto W. Schuss Mtn Drive which is the first corner after turning onto Del Mason. If you are going to the Slopeside Condos or the Lodge Suite at Cedar River Village, go past W. Schuss Mtn Drive until you reach the 1st Yield Sign at the "Round About".

Directions to the Slopeside Condos in Cedar River Village at Shanty Creek: At the Yield Sign, turn right into the "Round About" and take the first road to the right. This will be Troon Drive South go until you see the Cedar River Lodge on your left. When you get near The Lodge at Cedar River Village, you will see the driving range on your right and The Lodge at Cedar River Village will be on your left. Right after the driving range, turn right and go to the middle condominium building (there are 3 buildings). The address for this complex is 2421 Troon Drive South. There are 3 slopeside condo buildings. Each building has 3 upper units and 3 lower units. I am in the middle building and my units are the 2 upper end units. We own both condos #410 and #412 (sometimes they are referred to as units 10 and 12 at Slopeside). Make sure you e-mail me about a week ahead of your arrival to obtain the code for the electronic Lockbox.

Directions to the Vista Del Verde and the Villa Monte Golfside Condos in Schuss Village at Shanty Creek: From Del Mason, take a right onto W. Schuss Mtn. Drive past several condo complexes until you see the sign on the left for Vista Del Verde III. If you see Vista Del Verde I on the left or the main road to Schuss Village called Schuss Mtn. Lane on the left then you have gone too far. It is not easy to find so take a copy of the maps that I have on my website at www.nwmivr.com under the Document Library on the left side of the main page. The unit is on the lower level and is the furthest unit from the parking lot (next to the 1st green).

If you are staying in my 2 bedroom 1 bath unit at Villa Monte, then go past the 2 Vista Del Verde complexes and turn left onto Schuss Mtn. Lane and then take the first left into the Villa Monte Condo complex. Go to the building with the number 6658 and then to the first floor condo in that building #263.
